CHOCOLATE FOR BAKING

Especially for the baking industries, TULIP produces a practical range of ready-to-use, easy-to-work with quality chocolate. TULIP range is suitable for the broadest range of applications.

All TULIP products come in easy-to use packaging.

Each product, from fillings, chips, in various flavors, allows the freedom to use your imagination and creativity to create appealing products. Our products are suitable for injection chocolate centres, creative inclusions and other applications. They are resistant to mechanical stress pre and post baking.

CHOCOLATE FILLING

TULIP offers a range of bake stable fillings that create a new dimension to your products. Ready to use, they come in favorite colors and flavors. Among our range you can find a filling that adapts easily to your product. They will retain their moist richness, fluidity, appetizing texture and appearances after baking, steaming or freezing.

TULIP fillings come in easy to use packaging and have shelf life up to twelve months.
